NEUROSCIENCE SCHOLARS PROGRAM

Scholar Award 2026

Rising or Current Undergrad seeking STEM Research Experience?

Our Neuroscience Scholars Program is a 5-week mentored summer research training program designed to prepare rising and current undergraduates from Baltimore for graduate school and STEM careers. The program also provides select high school students from Baltimore City Public Schools with research experiences to enhance their journey towards college as STEM majors.

PROGRAM HIGHLIGHTS:

- **5-week mentored summer research experience working on an individualized summer research project**
- **Program dates are July 6-August 7**
- **Summer stipend provided**
- **Partnership with YouthWorks and Kahlert Institute for Addiction Medicine**

DEADLINE- 02/28/26

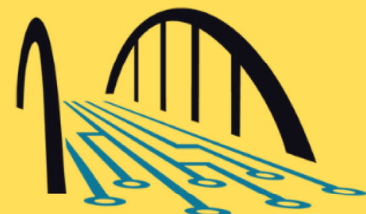

*To become a NSP Scholar
or Mentor scan:*
